**CABI Head Office** 

July 2017

**KNOWLEDGE FOR LIFE** 

## **CABI BACKGROUND**

CABI is an international not-for-profit organization that improves people's lives by providing information and applying scientific expertise to solve problems in agriculture and the environment. CABI is an intergovernmental organization that can trace its origins back to 1910. Our 48 member countries guide and influence our core areas of work, which include International Development and Publishing.

We have over 500 staff based in 16 countries. We have offices in Brazil, China, Ghana, India, Kenya, Malaysia, Pakistan, Switzerland, Trinidad & Tobago, the UK, the USA and Zambia.

#### CABI's Knowledge Business

CABI produces key scientific publications, including <u>CAB Abstracts</u> – the world-leading abstracting and indexing database covering applied life sciences. We also publish multimedia <u>compendia</u>, <u>books</u>, <u>eBooks</u> and <u>full text electronic resources</u> aiming to further science and its application to real life. CABI invests its publishing surpluses directly into development projects, helping to improve livelihoods worldwide.

#### International Development projects and research

Through knowledge sharing and science, CABI helps address issues of global concern such as improving global food security and safeguarding the environment. We do this by helping farmers grow more and lose less of what they produce, combating threats to agriculture and the environment from pests and diseases, protecting biodiversity from invasive species, and improving access to agricultural and environmental scientific knowledge.
