

YOUR LIBRARY GIVES YOU ACCESS TO:

Aquaculture Compendium

comprehensive, encyclopedic resource
for information on aquaculture

A background image showing a large group of fish, likely carp, in a tank. Many of the fish have their mouths open, as if they are feeding or reacting to something. The water is dark, and the fish are illuminated from above, creating highlights on their scales and fins.

**Contains over 240,000
bibliographic records and more
than 15,000 full text records**

More than 15,000 datasheets

**Maps of species
distribution including
grabbing-and-panning
and zoom functionality**

**Plus an interactive
glossary of more than
36,000 definitions**
