OPEN ACCESS

A GLOBAL MOVEMENT

Opening agricultural knowledge for development

A Review of CIARD:
2008 - 2013

Global CIARD Consultation,
May 2013

15 Founding Partners

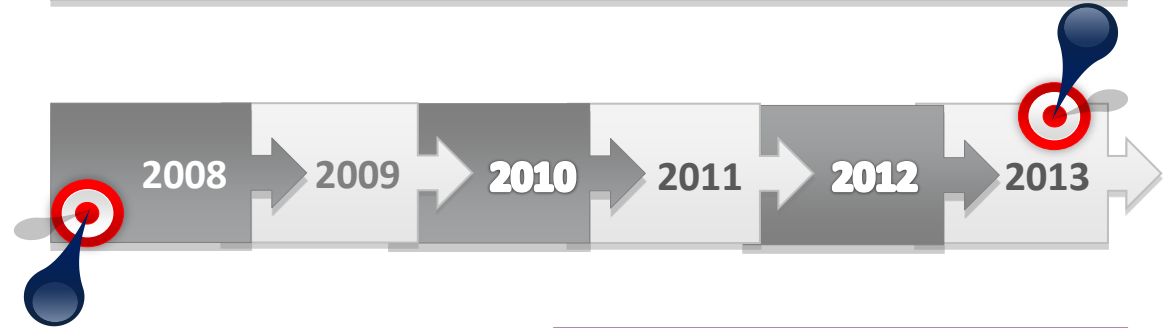

And now **400+** other organizations

The Vision is changing

The proposed new CIARD vision: **“to enable the sharing and exchange of data, information and knowledge for agricultural development.”**

The original CIARD vision: **“to make agricultural research information and knowledge publicly accessible to all.”**

**Emphasis on innovation
for smallholders**

PROPOSED NEW OBJECTIVES

-  **To advocate and promote openness** for all types of agricultural knowledge and data
-  **To share validated policies, practices, and tools**
-  **To be an agent of change** contributing to efficiency and lower cost of knowledge sharing
-  **To enlarge the CIARD Community**
-  **To show evidence of impact**
