

# Farm Business Management: The Fundamentals of Good Practice

## Chapter 9: Skills Required

### Tasks

1. In your view, what are the most important skills a farmer must have? Give your reasoning.
2. How does your list relate to the list given in the book? Why any differences? Justify your selection.
3. Discuss how you would go about ensuring farmers learnt the most important skills? Explain any evidence you have to justify your system.
4. Do you think some farmers are just not able to learn the skills required to be a good farmer? If so, give your reasoning.
