

The CABI (Centre for Agriculture and Bioscience International) is an international, intergovernmental, not-for-profit organization that improves people's lives worldwide by providing information and applying scientific expertise to solve problems in agriculture and the environment. Our approach involves putting information, skills and tools into people's hands. CABI's 48 Member Countries guide and influence our work which is delivered by scientific staff based in our global network of centers.

CABI Ghana invites applications from interested, competent and eligible firms for pre-qualification for the underlisted categories of goods, services and works for the period 2025 -2028.
