

## Access CABI resources anywhere, anytime.

Use our 3 methods to login instantly via your institution to view millions of industry leading records.

### **Automatic access via your library portal**

Login to your library portal, then refresh the CABI website you want to access. If your university has IP access, this will automatically log you in.

### **Login with your university credentials**

Click login, then Login via your Institution to search for your institution on Shibboleth and OpenAthens. If they appear, simply click their name then log in with your university credentials.

### **Redeeming vouchers or using usernames**

Occasionally we offer vouchers or set up unique usernames and passwords for our users. Use these by clicking Login, then entering your details.
