

# Leisure Tourism

The complete Leisure Tourism internet resource covering tourism, leisure, recreation, hospitality, sport and culture

## what is Leisure Tourism?

Updated weekly, CABI's Leisure Tourism internet resource supplies bibliographic information and abstracts for all aspects of leisure and tourism, including policy and planning, education and training, travel, sports, hospitality, the arts and entertainment. The natural environment and ecotourism, recreational activities and cultural heritage are key areas covered by the resource.

Leisure Tourism contains:

- over 196,000 research summaries (derived from CAB Abstracts) covering the last 40 years, sourced from over 6,000 serial publications, plus books, reports and conference proceedings
- key topical subject areas include sustainable tourism, tourism and climate change, management of growth, and active recreation
- literature from all over the world
- records taken from over 3,600 serials in 2018
- over 10,000 full text records
- over 2,800 eBook chapters from over 160 complete eBooks
- over 4,400 open access news articles

## CAB eBooks content now included

CABI's Leisure and Tourism eBooks collection has now been added to this resource. This new addition provides over 160 books with over 2,800 searchable chapters from 2000 to present. Books are presented in easy-to-navigate PDF files. The dynamic file continues to grow year on year ensuring up-to-date high quality content. You can search across all content including eBooks within the Leisure Tourism resource.

## who uses it?

An essential resource for anyone in the tourism industry, including researchers working in academic and corporate organisations, students, teachers and trainers, consultants and advisers, industry professionals and decision makers in tourism associations and government departments.

## why use it?

- you don't have to scan the ever-increasing literature or all the news sources – we've done it for you
- you'll find it easy to track down research that matters to you, because we've tagged all the important concepts
- as well as the best-known journals, we cover publications that other databases do not include
- news articles and short reviews help make sense of the vast amount of data
- Smart Searches on key topics prepared for you by our information experts
- 'My LeisureTourism' personalisation feature allowing you to save your searches, save and export records, and subscribe to saved searches via RSS so you can keep up to date with the latest content
- search filters and refine options that allow you to quickly drill down to the content you need
- CAB Thesaurus, the essential tool for indexing and retrieving information that allows users to search the database in a far more systematic and specific way than simply searching on free text
- navigating from abstract to CABI Full Text in just one click
- OpenURL compliance and support to serve libraries who wish to select and customise the links of most value to their users

"I am now using 'Leisure Tourism' for my own teaching and research on an almost daily basis. I continue to be impressed both with the quality of the contents and with the sheer volume of materials now included"
